Core Library Rules & Etiquette

- Noise Control: Keep noise low and switch cellular devices to absolute silent or vibrate patterns.
- Circulation Limit: Maximum of 4 checkout items concurrently. Standard loan timeline is 21 calendar days.
- Care & Provisions: Covered spill-proof drink containers allowed. Messy foods are strictly restricted inside.

Books	About Author	Availability	Save
	James Clear is an American author, writer, and premier habit formation expert. A former Academic All-American baseball pitcher, he holds a degree in biomechanics. He conducts primary experimentation on habit-building systems within elite corporate spaces like Google and Microsoft.	Available	Save
	Dr. Cal Newport is a Full Professor of Computer Science at Georgetown University. He graduated from Dartmouth College and earned his Ph.D. from MIT. His unique background allows him to analyze the exact cognitive friction caused by modern technology, network distraction, and algorithmic attention hooks.	Available	Save
	Dr. Carol S. Dweck is a renowned American psychologist and the Lewis and Virginia Eaton Professor of Psychology at Stanford University. Armed with a Ph.D. from Yale University, she has spent decades conducting empirical research on motivation, achievement gaps, and implicit student intelligence.	Borrowed	Save
	Dr. Henry L. Roediger III and Dr. Mark A. McDaniel are professors of psychology at Washington University in St. Louis, specializing in human memory and learning. They partnered with Peter C. Brown, an accomplished novelist and storyteller, to transform complex cognitive science into accessible, highly engaging narratives.	Available	Save
			

	Dr. Daniel Kahneman was an Israeli-American psychologist and a pioneer in behavioral economics. A professor of psychology and public affairs at Princeton University, he was awarded the 2002 Nobel Prize in Economic Sciences for his paradigm-shifting research into human judgment and decision-making under uncertainty.	Available	Save
	Swami Chinmayananda Saraswati (1916-1993) was a major Indian spiritual leader and master of Advaita Vedanta philosophy. Originally a cynical, anti-colonial journalist, he set out to expose "spiritual fraud" but ended up undergoing a deep spiritual transformation under Swami Sivananda. He founded the Chinmaya Mission to make ancient Vedic wisdom accessible to the global public.	Borrowed	Save
	Joyce Meyer is an American charismatic Christian author, speaker, and president of Joyce Meyer Ministries. Having overcome a childhood of severe trauma and abuse, her writing style focuses heavily on practical behavioral modification, emotional healing, and applying scriptural promises to daily mental battles.	Available	Save
	Dav Pilkey is an American children's author and illustrator who created global sensations like Captain Underpants. Diagnosed with ADHD and dyslexia as a child, he spent his school days drawing characters out in the hallways—turning early learning obstacles into a uniquely energetic, highly accessible style that captivates young readers worldwide.	Borrowed	Save
	Alan Moore is a legendary English writer, occultist, and anarchist widely considered one of the most influential figures in comic history. Getting his start in raw British indie magazines like 2000 AD, he went on to redefine mainstream Western comics with complex literary structures, dense world-building, and mature narratives.
